

## CONGRATULATIONS CAST AND CREW OF BROTHER'S GRIMM SPECTACULAR

Thank you for your patience in waiting for the audition results.

I have been watching more than just the acting auditions to cast this production. There are more moving parts and character items in this show than meets the eye.

You will see that many of you play many characters... That is the key to this show being wild and crazy – keeping with the season them of Chaos Mirth and Mayhem .

There will a read through on Tuesday at 2:45 pm in the black box.

Pick up your script on Monday after school or Tuesday before school. You will want to highlight your scripts...

When the link for accepting your part goes live, you will want to fill that out asap.

Thank you!

This show is going to be absolutely insane.
